Director's Report

Jerry Bradshaw, Director

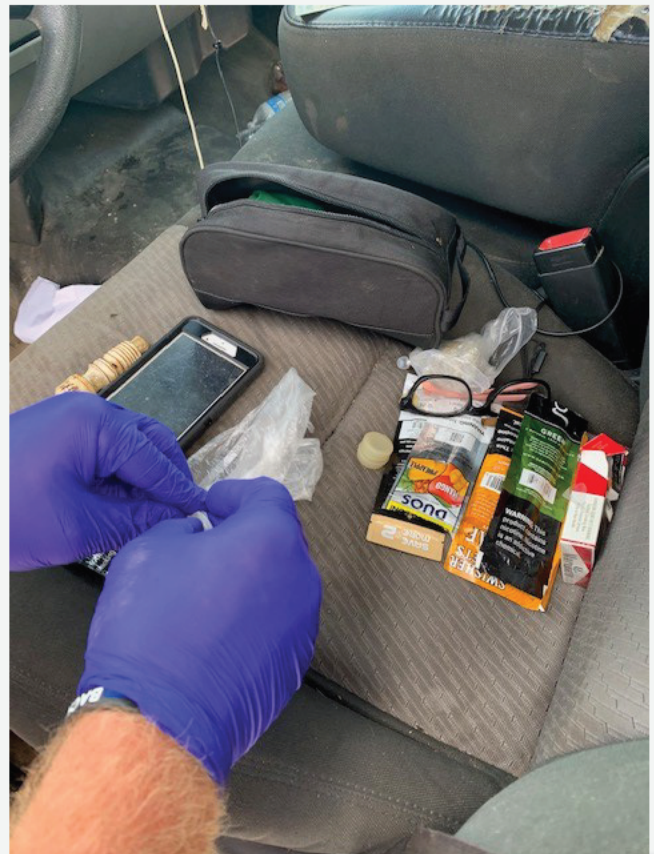

From the Director

ACC's State Opioid Response (SOR) grant, which provides funding for the Medication Assisted Treatment program, had been extended through June of 2021. The grant had been slated to end in September of this year. The grant pays for Vivitrol, a medication used in the treatment of opioid disorder, and comes with Grant Coordinator and Substance Abuse Program Leader positions.

Area 5 Agent Felix Jackson received a Letter of Accommodation and a Challenge Coin from Area Manager Wendi Phillips and Assistant Area Manager Hope Smith for taking control of a situation in the Fort Smith office that was vexing while maintaining a calm and professional approach. It began in mid-July when an offender doing community service at the Fort Smith office became stuck in the building's elevator. The offender had apparently been vacuuming and had entered the elevator to vacuum when the doors shut behind her, the vacuum cord became lodged in the door and the offender was trapped. Jackson spoke with the offender and made attempts to free her, including cutting the cord to the vacuum, but staff eventually had to call the fire department to help. The fire department was able to free the offender who was not hurt during the incident.

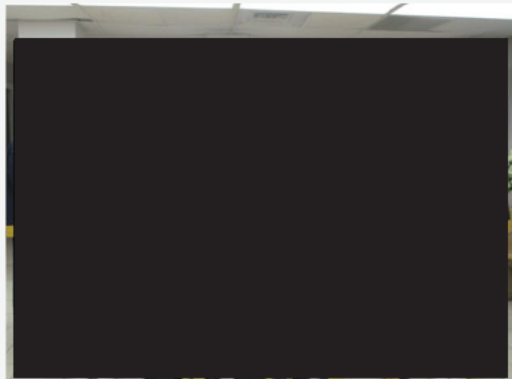

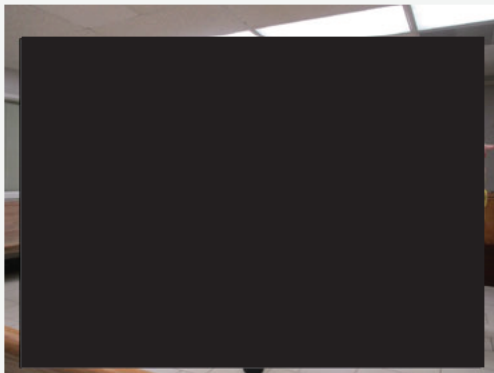

In late July, Agent Cody Cassell and Officer Jimmy Carter, of the Mountain View Parole & Probation Office, conducted a warrantless search of an offender's vehicle which smelled of marijuana, and discovered marijuana and methamphetamine (pictured below). The offender was arrested.

The East Central Center (ECC) in West Memphis has a praise dance team of residents who assist in the worship services at the center. When asked what the praise dance team meant to them, residents shared their thoughts:

"To us, praise dance is more than a performance done on Sundays at church. To us, praise dance is our ministry. It is our way to express our love and gratitude for the One who created us and loved us enough to send His only son to die on the cross for our sins. When we dance, we hope to give the message that God loves you, wants nothing but the best for you, and will change your entire life if you allow Him to. We also want to thank Chaplain Evans for his support and guidance in our journey. Being the leader and instructor of this team has been a tremendous blessing. There is no love like the love for God that these women have when they are dancing for Him. I hope you all are just as blessed. Remember, God's not done writing your story," wrote Breanna Shaw

"Spiritual is one of the few extra activities we can participate in during this COVID-19 crisis, so we want to invigorate the experience for all here at ECC. We are a group of women who minister and worship the Lord through our voices. It helps bring us closer together as a family through our love for God. Nothing touches the heart more than looking in a crowd and seeing tears in others' eyes," wrote Bonnie Shoemaker

Intensive Parole Supervision team received a tip that an offender was standing on his front porch brandishing a gun and started an investigation at the offender's home that resulted in the confiscation of a Winchester 7mm rifle and ammunition. Also discovered was a bag of collectible coins and a social security card belonging to another individual.

A Memorial was placed in the administrative wing at the Central Arkansas Center in Little Rock in honor of Richard Richardson who passed away earlier this spring from COVID-19. Richardson, a treatment coordinator at the facility and a high school and college football player, was the first state employee to succumb to the virus. He is missed.

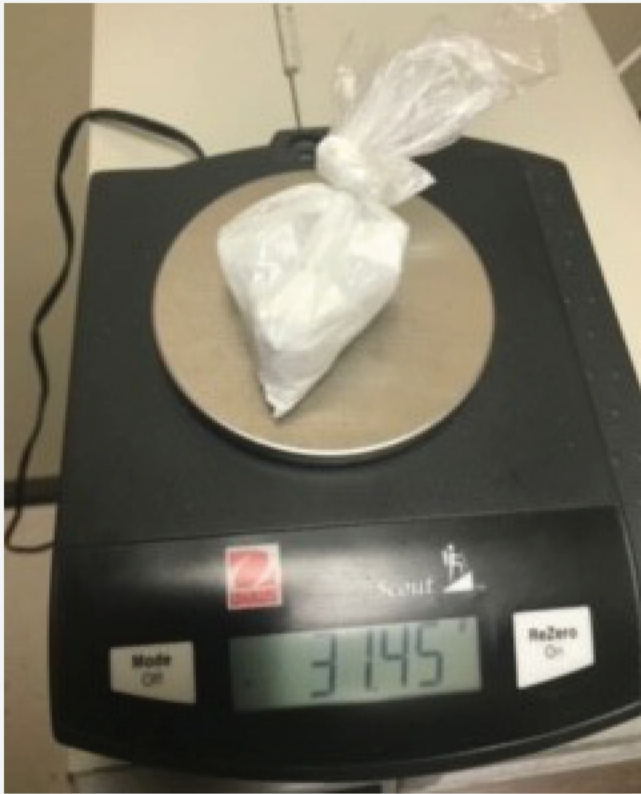

ECC's Assistant Warden Phillip Glover and his wife supplied barbeque, chips, lemonade, dessert and goodie baskets to the staff who worked on the Fourth of July holiday.

Area 8 (Pulaski County) Agents Roderick McGruder and Violet White conducted a home visit and discovered a Taurus .380 caliber handgun with a round in the chamber, and three additional rounds in the magazine. A search of the offender's car revealed .08 grams of marijuana and a digital scale.

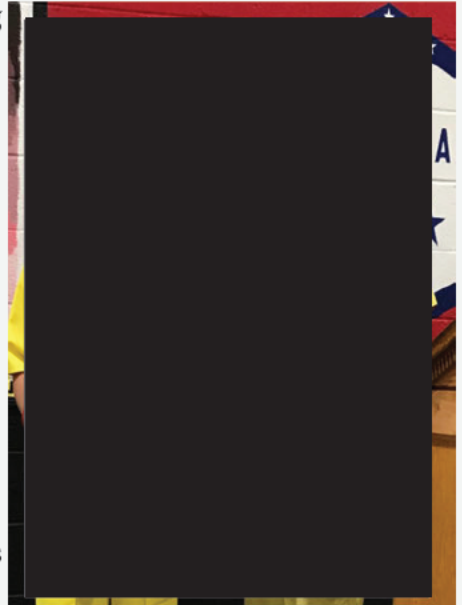

IPS agents in Area 8 also received information that an offender was at the Days Inn on Fair Park in Little Rock and was involved in narcotic activities. IPS investigated and found a 30 grams of fentanyl, .2 grams of heroin, .02 grams of meth, and \$2,789 (see below). The offender was booked in on new charges at the Pulaski County Jail.

IPS Agents Ryan Gordon and Violet White discovered marijuana and methamphetamine at an offender's home in Little Rock. The offender, an absconder, was taken in to custody and faces new charges.

Each month during graduation for the residents, Central Arkansas Center (CAC) treatment staff recognize the Most Improved Resident and Resident of the Month. For July, Resident Herrin who is a Coordinator was Resident of the Month and Resident Waggoner was recognized as Most Improved.

The Northwest Center in Fayetteville (NWC) held a Dress for Success fashion show helping residents understand what is acceptable wear in a working/business situation versus what is not appropriate work attire.

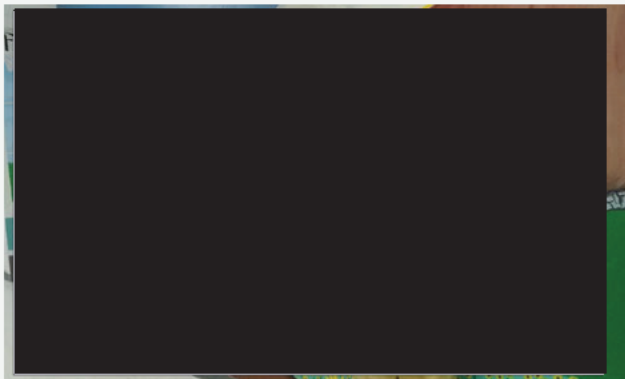

Agents from ACC's Intensive Parole Supervision team and Special Response Team joined with Little Rock Police to investigate a tip that an absconder was at a hotel in West Little Rock. The combined team found the absconder in question in addition to a second absconder. Both were arrested and 10 grams of meth, 14 grams of marijuana, six grams MDMA (Ecstasy) and a digital scale were confiscated.

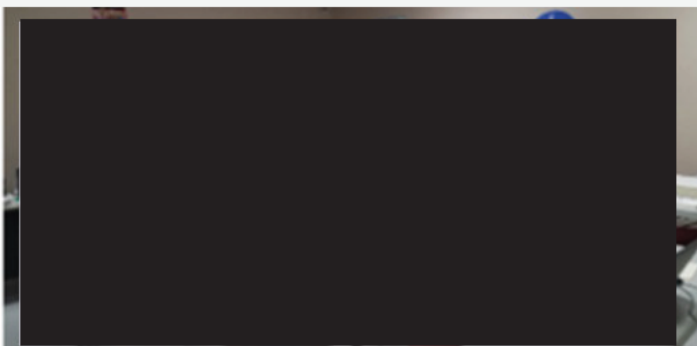

Residents at the Northwest Center (NWC) have successfully grown vegetables in their garden that has been used in preparing meals at the center.

The Northeast Center (NEC) in Osceola is approaching the changes required to cope with COVID-19 with an artistic bent. Residents designed and painted a new mural on the C-Wing hallway. The mural (below) is not only bright and happy, it includes the definition of integrity: do the right thing, even when no one is looking.

Throughout the pandemic the Arkansas Northeastern College staff has worked hard to help Northeast Center (NEC) residents continue to further their education and obtain their GED certification. During July, one resident achieved this goal and many more started the path by taking their GED readiness test.

In mid-July, Sex Offender Treatment and Intervention Scale (SOTIPS) training was held for sex offender officers working out of Area 2: Haley Farmer, Jeffrey Baumgardner, and Jimmy Carter. The implementation of SOTIPS assessment for sex offenders is a pilot for Area 2. Initial training is considered complete and assessment of sex offenders with SOTIPS will soon begin.

¹ Regular P&P Caseloads/Workloads include offenders with Active (Direct), Electronic Monitoring, and Incarcerated supervision statuses. Incarcerated here refers to temporary jail stays.

² Offenders on Annual or Indirect Supervision are excluded from caseload/workload counts and ratios.

³ Specialty Court Offender figures shown here are only those assigned to regular P&P officers. These offenders are not counted in caseload or workload ratios.

⁴ Indirect totals here are for offenders in Non-Active supervision statuses or those under Annual Supervision.

This page and the following two pages contain statewide caseload information for ACC. Caseloads are presented separately for regular parole and probation, specialty court, and specialized caseloads. This version is specifically designed for quarterly legislative reporting and differs from the daily caseloads/workloads report. Beyond the exclusion of workloads calculation, it is important to note that direct supervision in these tables includes regular parole and probation and specialty court (including regular parole and probation offenders carried by specialty court officers) offenders with active (direct), electronic monitoring, or incarceration supervision status, as well as absconders assigned to SRT officers. Offenders on annual supervision are counted as indirect.

Caseloads are presented in distinct officer groupings:

Regular: These are officers carrying normal Probation and Parole caseloads.

Specialty Court: These officers supervise offenders in specialty courts. Note that these officers may also carry regular P&P offenders, and these offenders are reflected in the specialty court caseload/workload figures; however, separate caseload/workload ratios are calculated for the regular and specialty court portions of a specialty court officer's caseload, in addition to a combined, or mixed, ratio.

Specialized: These officers supervise strategically specialized caseloads consisting of offenders requiring heightened supervision protocols (intensive supervision) and parolees who have absconded supervision (Special Response Team).

Indirect: These are offenders for whom their sentence, circumstance, or current status is associated with a reduced supervision obligation for the officers they are assigned to. Generally, these include offenders in non-reporting status, those on suspended sentences (SIS), and interstate compact offenders. Offenders on annual supervision are also included in this group.
