CORRECTION**

# **Director's Report**

**Jerry Bradshaw, Director**

# From the Director

The DOC lost a valued family member on August 5 with the passing of ACC Special Response Team Agent Arzo Johnson. A 16-year veteran with the Division of Community Correction, Agent Johnson lived his life with purpose. He had a genuine passion for helping others and cared for all whose paths he crossed, whether it be in his professional or personal life. He will be greatly missed. Pictured below are **Area 8** employees with a shadow box that was put together featuring items from Agent Johnson's career. The box honoring him was presented to his family. In the photo are Agents Brittney Thomas, Laron Kelleybrew, Molly Hensley, Angela Berry, Kristen Trigg, Tarshara White and Assistant Area Managers Jania Evans and Felecia Thomas.

**Area 2** Agent Steve Simers from the Salem office assisted the Fulton County Sheriff's Department and Arkansas State Police with a one vehicle accident in which a tanker truck had flipped off the highway. The driver of the truck was trapped for a time and received burns from the hot oil that was being transported as the tanker burst open on impact.

The Franklin County Drug Court (**Area 5**) program has taken the classroom outside and created a beautiful garden. The garden is located on the side and back parking lot of the Ozark office. Drug Court participants work in the garden daily by planting seeds, watering, weeding, and picking ripe vegetables. Friday is

the day most of the participants gather to harvest and eat together on the picnic table. A sense of community, acceptance, love and belonging can be felt.

**Area 10** Agents Stephen Simms and Jonathan Simms attended Critical Incident Stress Management courses in Hot Springs. Jonathan Simms noted the following - "I learned strategies, models, and resources for helping fellow Law Enforcement with coping with traumatic events." Stephen Simms said, "this training was very informative in regard to dealing with the care/wellness of our coworkers post critical incident. It is one of those issues that we really don't consider from day to day. It is imperative that more officers are trained on this to help each other with the proper steps to protect one's mental health after trauma incidents." The Mena

Drug Court (**Area 5**) has created a community project which entails cleaning the Polk County courtroom and court staff offices. Participants of the Drug Court clean once per month, or prior to any jury trials as requested by Judge Andy Riner

Congratulations to **Area 8** Administrative Assistant Tracy Rogers for being selected by her peers to be

Employee of the Month for August. Some of the reasons given by her coworkers for the recognition are: "Tracy goes above and beyond the normal day to day business of ACC/DOC for Area 8," "Tracy is very helpful to everyone," "Tracy helps to solve or find a resolution to issues that arise," "Tracy always has a smile and well wishes for the day to everyone."

Staff at the **Central Arkansas Center** in Little Rock donated items - including some they had made - to a silent auction held at the center. Money raised is used to offer activities for residents. DeUngela Fields is showing some of the auction items.

Parole and probation officers from the Malvern office (**Area 10**) attended a luncheon for law enforcement and first responders at the local First Baptist Church.

Agent Danny Marsh, Safety Officer for the Malvern office (**Area 10**), coordinated with the Malvern Police Department, Malvern Fire Department and Life Net Ambulance Service to have a realistic fire drill.

**Area 10** firearms instructors conducted firearms training and qualifications for the Probation/Parole Academy at the Game and Fish Weapons Range in Mayflower.

Jennifer Dean, Area Manager for ACC's **Sex Offender Services**, was recognized in an Arkansas Crime Information Center (ACIC) article for working with ACIC's sex offender program manager. From the article: *"Paula Stitz (Sex Offender Program Manager) worked with state and federal agencies to assist with locating a sex offender that was convicted in Arkansas for a sex offense. The offender was put on probation from the court, instructed to contact their assigned probation officer, and to register with the jurisdictional law enforcement agency. Instead, the offender fled. The offender did not report to probation or register as required by law."*

*Jennifer Dean, Area Manager for Division of Community Correction (ACC) Sex Offender Services advised Ms. Stitz that this person had apparently left the state. Ms. Dean sent Paula information regarding the offenders crime and advised her that she considered this person very dangerous and put him in their system as absconded. Since the offender was not registered and there was no registration information, Ms. Stitz kept what information Ms. Dean provided on her desk. Every week Ms. Stitz would check if there were any updates using Justice Exchange to see if he was in jail or had registered with another state. Ms. Stitz notified contacts with the United States Marshals Service (USMS) Sex Offender Tracking Team. After two years of checking and searching periodically, the USMS located the offender in another state unregistered. After working with local law enforcement agencies Ms. Stitz managed to get enough information to finally place the offender on the Arkansas Sex Offender Registry. Without the long standing close working relationship with our ACC personnel such as Jennifer Dean, her team of PPOs, the USMS officers who are always ready to help, and all the other LLE agencies around the country, this offender would never have complied with the requirements of his sentence and the law."*

**Area 4** Advisor Christa Glover attended the Southern States Correctional Association conference in Savannah, GA where she was able to attend several trainings that provided different perspectives of drug court programs. The trainings showed different avenues that each agency uses to work with the different populations they serve. She sat through an amazing training about identifying different illegal substances, the chemical difference between them, the chemical reactions to them, and the different withdrawal symptoms of them. Glover also attended the United States Dep-

uty Warden's Association conference in Hot Springs and was able to sit on a panel for jail standards where several agencies from across the United States shared ideas of assisting those with felony backgrounds in contacting appropriate resources to meet their needs. During this time, she was also able to sit through different training opportunities to learn more about how other states work with their different populations and make contacts from around the country.

Center Supervisor Phillip Glover spoke to residents recently at the **Northeast Arkansas Center** in Osceola on taking life in stride.

A representative of the Expanded Food and Nutrition Education Program (EFNEP) is providing nutrition classes at the **Northeast Center** in Osceola. EFNEP is a program of the Cooperative Extension Service of

the University of Arkansas Division of Agriculture Extension and Research. The United States Department of Agriculture (USDA), managed by National Institute of Food and Agriculture (NIFA), and the Cooperative Extension Service fund the program.

Staff at the **East Central Arkansas Center** in West Memphis welcomed Shorter College President Dr. Jerome Green and Phyllis Silas who is College Program Site Coordinator for the college. Shown with Silas and Green are ACC Program Coordinator Ursula Williams and ACC Program Specialist Nancy Stanberry. Silas and Green were at the center giving a presentation on the Second Chance Pell Grant program.

The Honor Guard (Sgt. Demonte Smith, Lt. Katrina Avant, Lt. Michelle King-Brooks, and Cpt. Michael Matlock) from the **East Central Center** presented the colors at Syrna Bowers' husband's funeral. Bowers is the Center Supervisor at the East Central Center in West Memphis.

## The Work of Parole/Probation Officers and Agents

**Area 11** officers took a different route while doing home visits in August and saved a life. Agent Tonya Robinson and Officer Falandus Graydon were conducting home visits in the Pine Bluff area when they decided to ignore GPS directions and take their own route, which led them to an overpass. As they approached, they could see a young man standing on the top of the bridge acting strangely - as if he might be attempting to jump. The officers decided to go back and talk to the young man. They convinced him to walk away from the bridge. He told them he was waiting on a train to come through so he could jump off the bridge in front of the train. The officers saw to it that the young man was taken home by a friend. One of the officers obtained the 19-year-old's telephone number and has spoken with him and his family.

**Reentry** officers conducted a home visit in Bradley County where it was believed that an offender had several weapons. At the request of 5th Judicial Prosecuting Attorney Jeff Phillips and Arkansas Game and Fish Cpl. Jamie Jackson, Reentry Officers searched the

home and found 16 long guns, a crossbow, a compound bow and a pistol. Ammunition for the guns and a bottle of peanut butter whiskey also were found. The offender was arrested.

**Area 2** Officers Morgan Clemence, Chase Smith, and Josiah Smith assisted the Newton County Sheriff's Department in a saturation patrol for the purpose of narcotics interdiction in high traffic areas in Newton County. ACC officers performed home visits in conjunction with the 14th Judicial District Drug Task Force and Newton County Sheriff's deputies with no major violations found. In addition, ACC officers rode with DTF investigators as they attempted to contact as many individuals as possible in and around known drug trafficking areas. The saturation lasted just less than six hours.

In **Area 2**, an offender reported for an office visit in Salem and was evasive in his response when Agent Steve Simers inquired how he had arrived at the office. Agent Simers and Officer Hunter Boles followed the offender to a vehicle where three other individuals were waiting for the offender to return. One of the individuals was discovered to be a parole absconder and a sex offender. Officers inquired as to whether there were any illegal substances in the vehicle which was met with a positive response from the parole absconder. Officers conducted a search of the vehicle and discovered a quantity of methamphetamine, glass smoking devices, and digital scales. The subjects were taken into custody by the 16th Judicial District Drug Task Force and were charged with felony offenses.

**Area 11** Agents Dustin Parker and Doug Johnson conducted a home visit on a probationer in Rison and found a .22 bolt action rifle, a glass methamphetamine pipe and a muzzle loader. A probation violation report was completed and submitted to the prosecutor's office.

In another home visit in Rison (**Area 11**) Agents Dustin Parker and Brooke Williams arrested an offender who had drugs and drug paraphernalia in his home. The offender was booked into the Cleveland County Jail for one count of felony Possession of Methamphetamine and one count of felony Possession of Drug Paraphernalia.

**Area 8** Intensive Parole Supervision Agents Roderick McGruder, Rodney Wright, Violet White and Ryan Gordon participated in a joint investigation with the Drug Enforcement Agency (DEA) of narcotics activity at a home in Little Rock. A home visit revealed several large bags of suspected marijuana, a large stack of currency, a handgun, and an AK47 rifle. The scene was turned over to the DEA. Approximately 168.8 pounds marijuana, 21.7 grams of cocaine, and 309 Xanax bars were seized, along with money and three firearms. The offender was taken in for questioning by the DEA. A

federal indictment is pending.

**Area 8** Agents Violet White and Roderick McGruder discovered methamphetamine, Xanax bars, pills and drug paraphernalia during a home visit to an offender's apartment in Little Rock.

Drug paraphernalia, pills and an absconded sex offender were discovered when officers in **Area 5** conducted a home visit in Hackett. Several offenders at the home were transported to the Sebastian County Detention Center. The offender who resided at the home will be charged with Possession of Schedule I/II Controlled Substance with the Purpose to Deliver >2g\* and Failure to Pay Fines in Sebastian County. She also was found to be associating with known felons, which included her son and brother, while engaging in criminal activity.

Officers in Sheridan (**Area 10**) discovered drugs and drug paraphernalia in an offender's home after the offender was drug tested during an office visit and tested positive for amphetamines, methamphetamines and marijuana.

**Area 10** officers found methamphetamine during a home visit in Garland County. The offender is expected to be charged with Possession of a Controlled

Substance Schedule I, II <2g, a Class D Felony.

Marijuana and drug paraphernalia related to marijuana such as bongs, pipes, grinders, and marijuana vapes were found in an offender's Sheridan home by officers in **Area 10**. The offender, who had a warrant out of Lincoln County, was taken into custody.

An offender and his girlfriend were arrested in **Area 1** after he reported to the Rogers office. The offender had been released from the Benton County Jail. His arrest followed officers finding a loaded Glock 36 and ammunition in his car. A further search of the vehicle yielded five bags containing methamphetamine, multiple needles and a digital scale. An ACIC/NCIC check was done on the firearm and it returned stolen out of Boone County. The total weight of the drugs was 6 ounces with one of the rocks alone weighing 2 ounces.

### Sex Offender Services

The University of Arkansas at Little Rock Mid-SOUTH, College of Business and Health & Human Services provided free training for ACC officers via webinar/zoom for the Stewards of Children training, which started in August and continued into September. Stewards of Children is an adult-focused child sexual abuse prevention training program that features real people and real stories about protecting children from sexual abuse. The training aims to educate, prevent, recognize, and react responsibly.

### Treatment

1,562 probationers and parolees were served in the general Substance Use Disorder treatment programs during August. Additionally 1,249 participants were served in the Drug Court treatment programs, bringing the total served to 2,811 during August.

A total of 538 residents have agreed to participate in Medication Assisted Treatment (MAT) since the program started in July 2018. 258 are discharged with follow up in progress in the community and 72 have completed the program. Partnership is in effect with 69 community providers to continue MAT upon release from the Centers, and the program has been extended through September 2022 with Peer Recovery Specialist and Transitional Housing services added.

General Treatment Program Summary (Non-Drug Court):

- Substance Use Disorder Groups - 1,011 participants
- Case Management - 155 participants
- Continuing Care - 341 participants
- Domestic Violence Prevention - 9 participants
- Life Skills - 59 participants
- Tobacco Use Groups - 9 participants

A representative of Batesville Rape Crisis Center made a presentation on "Stereotyping of Rape Survivors" to the Batesville Drug Court participants. Community outreach activities this month included treatment staff meeting with organizers of the newly formed Co-Dependency Anonymous in Searcy.

The SAPL program in Blytheville welcomed a guest speaker from Arkansas Delta Workforce who spoke to program participants on opportunities available through Workforce. In Jonesboro, Drug Court Program participants welcomed a guest speaker from NEA Services on Human Sex Trafficking.

Ozark Drug Court participants are managing a small vegetable garden this summer with guidance from staff and volunteers from the community. Participants reported finding it therapeutic.

<sup>1</sup> Regular P&P Caseloads/Workloads include offenders with Active (Direct), Electronic Monitoring, and Incarcerated supervision statuses. Incarcerated here refers to temporary jail stays. <sup>2</sup> Offenders on Annual or Indirect Supervision are excluded from caseload/workload counts and ratios. <sup>3</sup> Specialty Court Offender figures shown here are only those assigned to regular P&P officers. These offenders are not counted in caseload or workload ratios. <sup>4</sup> Indirect totals here are for offenders in Non-Active supervision statuses or those under Annual Supervision.													

This page and the following two pages contain statewide caseload information for ACC. Caseloads are presented separately for regular parole and probation, specialty court, and specialized caseloads. This version is specifically designed for quarterly legislative reporting and differs from the daily caseloads/workloads report.

Beyond the exclusion of workloads calculation, it is important to note that direct supervision in these tables includes regular parole and probation and specialty court (including regular parole and probation offenders carried by specialty court officers) offenders with active (direct), electronic monitoring, or incarceration supervision status, as well as absconders assigned to SRT officers. Offenders on annual supervision are counted as indirect.

Caseloads are presented in distinct officer groupings:

**Regular:** These are officers carrying normal Probation and Parole caseloads.

**Specialty Court:** These officers supervise offenders in specialty courts. Note that these officers may also carry regular P&P offenders, and these offenders are reflected in the specialty court caseload/workload figures; however, separate caseload/workload ratios are calculated for the regular and specialty court portions of a specialty court officer's caseload, in addition to a combined, or mixed, ratio.

**Specialized:** These officers supervise strategically specialized caseloads consisting of offenders requiring heightened supervision protocols (intensive supervision) and parolees who have absconded supervision (Special Response Team).

**Indirect:** These are offenders for whom their sentence, circumstance, or current status is associated with a reduced supervision obligation for the officers they are assigned to. Generally, these include offenders in non-reporting status, those on suspended sentences (SIS), and interstate compact offenders. Offenders on annual supervision are also included in this group.
