For the past 17 years, she has progressed through the ranks with ACC as an Advisor, Substance Abuse Program Leader, Treatment Supervisor (Southeast AR CCC and East Central AR CCC),

Mrs. Bowers was responsible for hiring and developing employees in various departments. She was recognized in 2012 as Treatment Employee of the Year, in 2017 as Treatment Supervisor of the Year and in 2019 as Horizon Award/ Deputy Warden of the Year. Mrs. Bowers learned under the tutelage of retired Wardens Phyllis Silas and Terry Mapes and former Deputy Director Jimmy Banks. ## **CHAD DAVIS PROMOTED TO DEPUTY WARDEN**

Chad Davis has been promoted to Deputy Warden of the new White River Correctional Facility in Batesville.

Davis was hired in 2001 by the Arkansas Department of

Corrections at the Grimes Unit as a Correctional Officer. He has promoted through the ranks to Corporal, Sergeant, and Disciplinary Officer.

In 2015, Davis promoted to Lieutenant with ACC at the Northwest Arkansas Community Correction Center. He transferred back to ADC as a Program Specialist at the McPherson Unit. Davis was promoted to the position of Parole/ Probation Officer with ACC in 2016. He was promoted to an Assistant Area Manager for Area 4 - Osceola in 2020.

### DAVIS PROMOTION, continued:

Davis will oversee the development and construction of the White River Correctional Facility in Batesville. The WRCF will be expanded to a 150-bed facility that will hold 90-day parole revocation male offenders.

### PASSING OF JAMES T. "JIMMY" BANKS

The Department of Corrections family withstood a painful blow on June 30 when Deputy Director of Residential Services James T. "Jimmy" Banks III tragically passed. Mr. Banks was looking forward to a well-deserved retirement and was working to pass the torch and prepare Syrna Bowers to transition into the Deputy Director role. It was heartbreaking that he passed away on the day he was scheduled to retire.

Jimmy worked for the Department for many years, starting in September 1985 at the Tucker Maximum Security Unit as a Correctional Officer I. He held many other positions over the years including Deputy Warden and Warden at Varner/Varner Super Max, and Warden/Superintendent at the Tucker, North Central, Delta Regional, and Grimes units. He ended his career as ACC Deputy Director of Residential Services. He was instrumental in the development of our agency, including being present for the groundbreaking of the Supermax Unit at Varner, the initial licensing of the Omega Unit, and the relocation and initial accreditation of the East Central Center in West Memphis.

His legacy will live on through those who will continue the mission he started, transforming our agency into one that not only holds individuals accountable, but also works to instill character and work ethic in the offenders we serve.

His memorial service was held on July 14 at Fellowship Bible Church in Little Rock. He was eulogized by colleagues past and present, including Corrections Secretary Solomon Graves, Board of Corrections Chairman Benny Magness, Parole Board Chairman John Felts, Division of Community Correction Director Jerry Bradshaw and former ADC Director Larry Norris. Mr. Banks left a legacy of service and will be sorely missed.

On June 8, Sex Offender Services Area Manager Jennifer Dean Jordan and Area 10 Manager Krystle Williams met with Capt. Scotty Dodd, Garland County Criminal Investigations Division supervisor, and Courtney Kizer, Garland County deputy assigned to Sex Offender Registration.

The meeting was geared toward developing and implementing collaborative strategies between agencies to enhance offender accountability and community safety.

Later in June, Dean Jordan provided information to the Division of Community Corrections Sex Offender Specific Officers and the Sex Offender After Care Program team pertaining to 15 social apps that children might be using.

Sexual predators are known to access such apps to gain access to children with the foresight that many parents are unaware their children are using these social media sites. To make matters worse, some

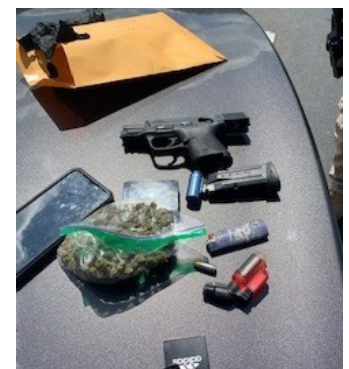

applications are used to hide photos, videos, files, and browser history, placing parents even further "in the dark."

Examples of applications were: "Hot or Not," a social app that encourages users to chat and rate each other's profiles, and "MeetMe," an app that allows users to connect based on geolocation and encourages them to meet up.

### PAROLE/PROBATION HOME VISITS:

**Area 2** (Mountain View) Agents Lisa Wells and Jimmy Carter assisted the 20th Judicial District Drug Task Force in executing a narcotic search warrant in the town of Scotland on June 29. Officers located suspected methamphetamine, marijuana, and drug paraphernalia.

In early June, **Area 8** Intensive Supervision Program (ISP) agents received information that an offender was involved in narcotics sales at a hotel and had been observed by undercover Little Rock Police Department (LRPD) units leaving a hotel room and carrying out bags as if checking out, before leaving the hotel and driving to the Parole Office. Upon arrival at the office, the offender was approached by ISP Agents in the parking lot and taken into custody. A vehicle search was conducted and a black bag that had been observed to be with the offender by the undercover officers was located. The bag contained a handgun loaded with one in the chamber, a plastic bag containing marijuana, a digital scale and a small blue container with a white powdery substance inside that was believed to be fentanyl. The offender was transported to the LRPD and charged, and a parole hold was placed.

**HOME VISITS, continued:**

On June 15, Officer Spadoni and Agent Parker from the **Area 11** Office responded to the home of an offender at the request of an officer with the White Hall Police Department. Upon arrival, the offender was in handcuffs in the yard. After identifying the offender's vehicle, a search of it commenced which resulted in Officer Spadoni and Agent Parker locating a glass methamphetamine pipe and a tool bag with a glasses case inside containing two bags of a white powdery substance suspected of being fentanyl. Further searching revealed a catalytic converter that had been removed from a vehicle and a bottle of vodka and whiskey. When Officer Spadoni and Agent Parker moved the search inside the residence, they discovered a loaded revolver in a holster, a crossbow and bow, four glass methamphetamine pipes, eight counterfeit \$100 bills, a tablet with a white powdery substance on it that was suspected of being methamphetamine, a straw and scales. The evidence was collected by the Pine Bluff Police Department and the offender was taken to the CID for questioning.

This page and the next contains statewide caseload information for ACC. Caseloads are presented separately for regular parole and probation, specialty court, and specialized caseloads. This version is specifically designed for quarterly legislative reporting and differs from the daily caseloads/workloads report.

Beyond the exclusion of workloads calculation, it is important to note that direct supervision in these tables includes regular parole and probation and specialty court (including regular parole and probation offenders carried by specialty court officers) offenders with active (direct), electronic monitoring, or incarceration supervision status, as well as absconders assigned to SRT officers. Offenders on annual supervision are counted as indirect.

**Caseloads are presented in distinct officer groupings:**

**Regular:** These are officers carrying normal Probation and Parole caseloads.

**Specialty Court:** These officers supervise offenders in specialty courts. Note that these officers may also carry regular P/P offenders, and these offenders are reflected in the specialty court caseload/workload figures; however, separate caseload/workload ratios are calculated for the regular and specialty court portions of a specialty court officer's caseload, in addition to a combined, or mixed, ratio.

**Specialized:** These officers supervise strategically specialized caseloads consisting of offenders requiring heightened supervision protocols (intensive supervision) and parolees who have absconded supervision (Special Response Team).

**Indirect:** These are offenders for whom their sentence, circumstance, or current status is associated with a reduced supervision obligation for the officers they are assigned to. Generally, these include offenders in non-reporting status, those on suspended sentences (SIS), and interstate compact offenders. Offenders on annual supervision are also included in this group.
