EFFECTIVE: February 3, 2020

- I. APPLICABILITY.** This policy applies to Arkansas Community Correction (ACC) employees, applicants for and recipients of a Transitional Housing License, Subsequent Housing License, Self-Governed Housing License, owners, operators, and staff members of ACC licensed Housing Facilities.
- II. POLICY STATEMENT.** Transitional, Subsequent, and Self-Governed Housing Facilities must meet or exceed the requirements established in this policy and the checklist to ensure a structured, positive, and safe environment for residents, to reduce recidivism, to encourage employment and treatment, to provide public safety, to transition offenders back to the community to be productive citizens and to maintain the principles of evidence based practices.
- III. DEFINITIONS.**
 - A. Applicant.** Any individual, group, business or organization that has applied to receive an Arkansas Community Correction Transitional, Subsequent, or Self-Governed Housing license.
 - B. Transitional Housing Facility.** A facility that provides housing for one or more offenders who either have been transferred or paroled to the Division of Community Correction by the Parole Board or placed on probation by a circuit court or district court. Ark. Code Ann. § 16-93-1602(3)(A).

- C. Self-Governed Housing Facility.** A facility providing long-term housing and programming that address identified criminogenic and other needs for one or more residents placed on ACC community supervision. The facility must provide the time, peer support and structured living environment necessary for long-term recovery. The facility must have detailed procedures at the facility for operation by the residents. A resident's home or the home of a resident's family member will not be considered a Self-Governed Housing Facility for purposes of this directive.
- D. Subsequent Housing Facility.** An ACC licensed facility providing affordable housing and programming for one or more residents following a minimum of 90 days in a licensed transitional or reentry facility. All subsequent housing facilities must be affiliated with a licensed Reentry or Transitional Housing facility, and they must be licensed by ACC as subsequent housing for offenders.
- E. Licensing Authority.** ACC is the authority for licensing any type of Transitional Housing Facility. Facilities are licensed for one year with provisions for renewal as specified in this policy.
- F. Housing Manager:** The ACC individual assigned to monitor Transitional, Reentry, Subsequent, and Self-Governed Housing Facilities, to serve as the liaison between the facility and ACC for compliance issues, and to supervise the billing process.
- G. Vendor.** A Transitional Housing Facility that has obtained a contract with ACC by responding to the Request for Qualifications. Approved vendors may bill ACC for limited reimbursement for housing certain residents on parole as stated in the contract. ACC does not pay for the housing of probationers.

IV. HOUSING FACILITY LICENSE REQUIRED

Arkansas Code section 16-93-1605 and related sections require facility operators to have a housing facility license from ACC in order to house any criminal offender transferred, paroled, or placed on probation through the Arkansas criminal justice system. The law states that an offender "shall not be sent via court order to a transitional housing facility that is not properly licensed by the department," and provides for civil penalties of up to \$500 per day for operation of a transitional housing facility without a valid license.

ACC staff aware of an unlicensed facility being operated in Arkansas must bring this to the attention of the Housing Manager. Members of the public may bring unlicensed facilities to the attention of any ACC staff member who will, in turn, notify the Housing Manager. The Housing Manager will report claims of an unlicensed facility to the Assistant Director of Reentry who will ensure investigation.

V. PROCEDURES FOR TRANSITIONAL HOUSING LICENSURE.

- A. Application.** Applicants may contact the ACC Housing Manager for a Housing Facility license packet or download the application packet from the ACC public website (dcc.arkansas.gov). Applications, documents, and fees submitted for licensure consideration will not be returned. The completed application packet and any required fees should be sent to the Housing Manager at the Central Office of ACC. Initial Transitional Housing License application fee is \$250.00, Annual Renewal fee is \$100.00. Should a proposed facility fail to be licensed the fee will not be returned. No fee will be assessed for the licensing of a Subsequent Housing Facility.
- B.** For initial licensure or a proposed new location, the applicant must comply with the public hearing requirements of Arkansas Code, section 12-25-101, which states:
1. No community-based residential facility housing juveniles or adults adjudicated or convicted of any sexual or violent offense or any other criminal offense that would constitute a Class C felony or higher shall be located or constructed within any municipality or county of this state until a public hearing is conducted in the municipality or county of the proposed location of the facility at least thirty (30) days prior to the contracting for the acquisition of any property on which to locate the proposed facility or any existing structure in which to locate the proposed facility by the owner, operator, or care provider of the proposed facility.
 2. All residents within one thousand (1,000) feet of the proposed location of the facility shall be notified by mail at least ten (10) days prior to the day of the meeting.
- C.** To ensure compliance with Arkansas law, applicants must provide the following items to ACC:
1. Copy of the notification letter prior to being mailed to residents informing them of the date and time of the meeting and the proposed purpose of the facility. The letter must include a return address and must be approved prior to mailing.
 2. List of all residents who were mailed the notification letter.
 3. Notification of the date, time, and location of the public meeting. ACC staff must be present at the public meeting
 4. Copy of the sign-in sheet for those in attendance at the public meeting.
- D.** The ACC Housing Manager will review the application packet for completion and conduct background checks on individuals submitted by the owner/operator as being staff and volunteers of the facility. Individuals currently on probation supervision with ACC cannot be employed in positions to remove or sanction another offender on supervision. Individuals currently on parole supervision with ACC cannot be employed in positions of authority over another offender on supervision.

- E. As part of the application process, ACC will require proof of financial stability of the facility which may include but not be limited to bank account records, tax returns, and business plans.
- F. Licenses will be issued only for the premises and persons specified in the application and are not transferable. Separate licenses are required for Transitional, Subsequent and Self-Governed Housing facilities maintained on separate premises, even though they are operated under the same management. The facility cannot admit any offenders under ACC supervision until the license to operate a Housing Facility has been issued.
- G. An Arkansas Transitional Housing Facility License will not be issued for a facility under the management, supervision, oversight or ownership of a person currently under a sentence or probation supervision for a felony offense or who has current, pending felony charges. Ex-offenders must provide proof of discharge of the felony sentence.
- H. When a license is renewed, it will be from the previous license expiration date, not any possible extended inspection date. A facility that wishes to renew its license must have all required paperwork and fees submitted to the Housing Manager no later than 30 days prior to the license's expiration and must show compliance with items on the attached checklist.
- I. The Housing Manager, for due cause, may recommend to the Assistant Director of Reentry that a facility license be suspended or revoked. The Assistant Director may assign ACC staff or another local, state, or federal agency to assist in a facility investigation. In the event of a recommendation for denial of an application or the suspension or revocation of license, the applicant may appeal the decision to the Director of the Division within 30 days of the written recommendation for denial/suspension/revocation. Applicants may appeal that decision in writing within 30 days of the decision to the Board of Corrections whose decision is final.
