FROM THE DIRECTOR: COMMUNITY EFFORTS

Mayor of Newport, Derrick Ratliffe, signed a proclamation proclaiming May 7-13 as Treatment Court Week in Newport.

Shorter College presented Officer Amber Corlis with an award in appreciation for her commitment to the college's reentry services.

A Drug Court Resource Fair was held with the help of local businesses, agencies and members of the DOC family at the St. Bernard's Auditorium in

COMMUNITY SUPERVISION AREA HIGHLIGHTS:

AREA 2

On May 26, Agents conducted a search of an offender's vehicle after she tested positive for methamphetamine on a urine analysis. The search yielded the discovery of items of drug paraphernalia.

The offender was taken into custody by an investigator with the Izard County Sheriff's Department.

On May 26, an officer conducted a home visit on a probationer and inadvertently sabotaged an ongoing game of hide-and-seek. The offender's younger brother advised when he opened the door that he did not currently know where his brother was as they were in the game. The younger brother called the offender on the phone and advised that his probation officer was at the residence for a visit to which the offender responded, "I'm not falling for that trick." The phone was given to the officer who advised that he was, in fact, there to do a home visit at which point the offender came from his hiding place on the roof of the residence.

AREA 3

On May 31, Agents along with Walnut Ridge Police conducted home visit on offender which yielded over half pound of methamphetamine and marijuana.

AREA 6

On May 3, an ISP Officer along with PPO Officers conducted a home visit on a probation absconder in Faulkner County. The absconder was apprehended, and several illegal items were found including weapons, illegal substances, and paraphernalia.

On May 17, the Pope County Community Supervision Office took on the role of an animal rescue team. A DOC employee discovered what sounded like a cat in his car's fender / motor area. Despite the

AREA HIGHLIGHTS, continued:

meowing and cries, the employees were unable to locate and rescue the cat. Thankfully, an auto repair business was nearby. The mechanics were able to dive into the car's engine / inner fender area and rescue the small kitten. The Community Supervision team named the cat, Doc. Later that day, Doc went to his new home with one of the officers.

On May 17, Roxy, Faulkner County's newest Courthouse Dog has been practicing over the last several weeks in court, sitting with her handlers, victim advocates, under the feet of prosecutors, defense attorneys, and even a Judge. Today, Roxy sat in the witness box with these two officers as they testified in a motion hearing.

On May 31, ISP Agents along with assistance from Conway PD conducted a home visit on an offender who had an outstanding warrant. Several weapons, drugs, and paraphernalia were seized. The offender was taken into custody without incident.

AREA 8

On May 16, ISP Agents received information on a parole absconder who was still residing at his listed address. Agents made contact with the absconder in the front yard, and he was detained on his active parole absconder warrant. Agents conducted a search of the residence, in his bedroom where the agent located an open safe with a small brown bag. Inside the bag contained approx. 300 grams of suspected Methamphetamine, 7 grams of suspected Fentanyl, a small amount of suspected Marijuana, approx. 75 Xanax Bars, and other substances. LRPD narcotics responded to the location and a search warrant was requested for the residence. The absconder was transported to the Northwest Substation.

On May 24, ISP Agents received information on an absconder. Agents made contact with his mother, she stated that he is home at the address last listed on his warrant. Contact was made with him and a warrantless search was conducted of the residence. A shotgun was located in plain view by the backdoor in the utility room. An Agent located a pistol on the shelf in his bedroom. Another Agent located 1 rifle

and 5 shotguns under the bed. Agents notified the Pulaski County Sheriff's Office, and they took control of all evidence and transported him to PCJ on new felony firearm charges and his active probation revocation warrant.

SEX OFFENDER SERVICES

Over the last few months, Deputy General Counsel Vincent France, Sex Offender Services (SOS) Area Manager Jennifer Dean, and SOS Assistant Area Manager Kenny Kendrick, along with the help and input of others including Dr. Tabrina Bratton, created Uniform Conditions of Probation for Sex Offenders. Mr. France submitted the proposed Uniform Conditions of Probation for Sex Offenders to Secretary Profiri, Chief Wallace, and General Counsel Harris-Ritter for their consideration and approval. Specialized sex offender conditions are a supervision staple of most states with Arkansas lagging behind. Strides are needed to intensify the community management of sex offenders and strengthen community safety.

The 40th Annual National Missing Children's Day was on May 25. In 1983, President Ronald Reagan proclaimed May 25th as National Missing Children's Day. Each year, the U.S. Department of Justice commemorates Missing Children's Day with a ceremony, scheduled on Wednesday, May 24, honoring the heroic and exemplary efforts of agencies, organizations, and individuals to protect children.

1 Specialty Court Caseloads/Workloads include offenders who are assigned to officers in Specialty Court positions who have Active (Direct), Electronic Monitoring, or Incarcerated supervision statuses.
 2 Offenders on Indirect or Annual Supervision are not included in caseload counts or ratios. Annual supervision counts include both regular P&P and Specialty Court offenders assigned to Specialty Court officers.
 3 Offenders in risk-level columns above are regular P&P offenders who are supervised by officers in Specialty Court positions.

This page and the next contain statewide caseload information for ACC. Caseloads are presented separately for regular parole and probation, specialty court, and specialized caseloads. This version is specifically designed for quarterly legislative reporting and differs from the daily caseloads/workloads report.

Beyond the exclusion of workloads calculation, it is important to note that direct supervision in these tables includes regular parole and probation and specialty court (including regular parole and probation offenders carried by specialty court officers) offenders with active (direct), electronic monitoring, or incarceration supervision status, as well as absconders assigned to SRT officers. Offenders on annual supervision are counted as indirect.

Caseloads are presented in distinct officer groupings:

Regular: These are officers carrying normal Probation and Parole caseloads.

Specialty Court: These officers supervise offenders in specialty courts. Note that these officers June also carry regular P/P offenders, and these offenders are reflected in the specialty court caseload/workload figures; however, separate caseload/workload ratios are calculated for the regular and specialty court portions of a specialty court officer's caseload, in addition to a combined, or mixed, ratio.

Specialized: These officers supervise strategically specialized caseloads consisting of offenders requiring heightened supervision protocols (intensive supervision) and parolees who have absconded supervision (Special Response Team).

Indirect: These are offenders for whom their sentence, circumstance, or current status is associated with a reduced supervision obligation for the officers they are assigned to. Generally, these include offenders in non-reporting status, those on suspended sentences (SIS), and interstate compact offenders. Offenders on annual supervision are also included in this group.
