Arkansas Correctional School District

Varner CTE built this wall out of pallets for the Boys and Girls club of Desha County. The Boys and Girls Club will set it up in a warehouse during a fundraiser.

People will enter through it instead of the big warehouse doors.

At the August 21, 2023, administrators' meeting, ACSD administrators discussed:

- Credential Registry
- Technology (Elos and GED Labs)
- GED Testing
- CEA Documentation
- Inclement Weather Procedures
- PPC meetings
- ServSafe

The Business and Industry Advisory Committee also met. Agenda items included:

- Review of existing programs
- New program recommendations
- Curriculum review and recommendations
- Roundtable discussion

Fifteen Paws trainers at the Tucker Unit recently completed Pet Care and Management. To receive a certificate, participants must complete a total of 325 total hours of instruction and training in financial literacy, pet care, OJT, and professional training sessions.

Arkansas Correctional School District

Credential Registry

Subject: Re: Credential Registry Follow Up 9/15

Hi Tracy,

We are officially live!!! Here's the link to the Organization, and you can view the 22 Credentials by clicking on the Gray bubble under 'Connections' on the left.

https://credentialfinder.org/organization/4578/Arkansas_Correctional_School_District

Congratulations on being the first credentials live in Arkansas in the registry!! 🎉 And I think these are the first credentials in the entire registry that are offered to the Incarcerated population. ❤️

This is laying the groundwork for so much more work to follow! Up next, we're working on mapping out the courses and competencies to add to these credentials.

We'll keep you posted, and please reach out if you have questions in the meantime.

Thanks!!

Kristen

One recommendation that came out of the 2022-2023 Business and Industry Advisory Committee meeting was for kitchen workers to receive ServSafe Food Handler training and certification. After discussing recommendations during an ACSD administrators' meeting, it was agreed that training could be provided by the district.

One teacher from each unit will begin instructor training on October 26th. After their training is complete, teachers will provide training to kitchen workers at their unit.
